

BSI Ltd. has been successfully engaged in the sale of furniture and accessories for the office and in the construction of stands Contract for Companies.

The importance of the functionality and harmony of the work settings is the prime value for us for this reason, if needed, we follow the project throughout its evolution, from the first sketches to the definition of the layout, the mounting of the last finishes. Through to post sales service.

The offer is divided into various types of furniture, to suit all aesthetic and ergonomic requirements, along with the fine Italian design.

In particular:

- Supplies contract*
- Operational and executive office furniture*
- Seats and furnishings*
- Meal cabinet and shelving*
- Reception*
- Movable and equipped*
- Bespoke design*

BSI Ltd. if needed, program, implement, and coordinates the execution with his own team and becomes available to carry out the most ambitious projects.

Best Regards,
Alex Bianchi
